Dear

Thank you for all of your hard work. This email signifies the completion of your Year 1 Induction requirements under the San Mateo County Office of Education Induction Program. We appreciate your determination and dedication to your work and look forward to continuing our support of your professional learning during your Year 2 with us here at SMCOE.

Units

We are pleased to be able to offer 8 graduate-level semester units from the University of Pacific. To purchase these units please use this [link](#) and scroll down to Register Today! It's Simple then click the Register Now button. Choose EDUP 9391. You may need to unselect EDUP 9392. You also have the option of purchasing 4 units under Choose an Option.

The last step before paying is that you will need to upload a screenshot of this completion email. The purchasing of units is optional but please check with your human resources department to ensure that these units will be accepted before purchasing units. The deadline to purchase units is June of 2026. If you have questions about how to purchase units, please contact Griffith Montgomery, gmontgomery@smcoe.org.

If you are moving to a new Induction program, please have the new program contact Tricia Giovanazzi at tgiovanazzi@smcoe.org and she will send a transfer document. We wish you good luck.

If you are continuing with us for year two, we look forward to working with you during the 2024 - 2025 school year.

Best regards,

The Induction Team
